

Welcome to the home site of *Hagood Avenue Baptist Church's* ministry. Here you will find a caring and loving family that seeks to grow stronger spiritually and reach out to those in need. We hope that your visit to our home site will better inform you of things that we are doing and things that lay ahead. We are excited to be a part of God's work here. Visit our links and gain a deeper look into the Christ centered work we strive to do. ***"For we can do all things through Christ who strengthens us."*** Phil. 4:13

We have added as many links as possible so you will avoid the maze of trying to find specific things or interest. We encourage you to please sign our guest book so we can have a record of your visit.

You may also want to join our Newsletter mailing list. You can download files such as Newsletters and Programs using PDF files and read with Adobe Acrobat Reader (*click [here](#) to obtain a free download of Acrobat Reader*). If you want to enjoy some Video clips you may download and view them using Windows Media Player (*click [here](#) to update your Media Player free*). Lastly, since we do not place many pictures on the site you can download an .exe slide show of pictures of various events that can be seen on any computer. However, to monitor our audience of viewers more closely, all of our picture .exe files must have a password to view. You can download the slide show but you will need to call our office administrator to actually view them via a password. All of these opportunities are just a click away.
